

## AVIATION IN BENDIGO.

### GULLAUX THE MARVELLOUS.

M. Guillaux, who is advertised as the world's greatest and most daring aviator, is to fly in Bendigo on Monday next (King's Birthday), and the opportunity of witnessing so daring an airman may never come again to Castlemaine people. No special train has been arranged from Castlemaine, but specials will run from Bendigo to the Epsom racecourse, where M. Guillaux will give exhibitions of looping the loop, flying upside down, tail slipping, and the perpendicular dive. When this famous French aviator gave exhibitions in Melbourne recently, he created a great sensation, and no doubt, Monday being a holiday, many Castlemaine people will take advantage of the opportunity of witnessing the repetition of these feats in Bendigo. The first flight will take place at half-past one o'clock, which means that Castlemaine residents who intend witnessing it will have to travel by the morning train.
