

DE HAVILLAND

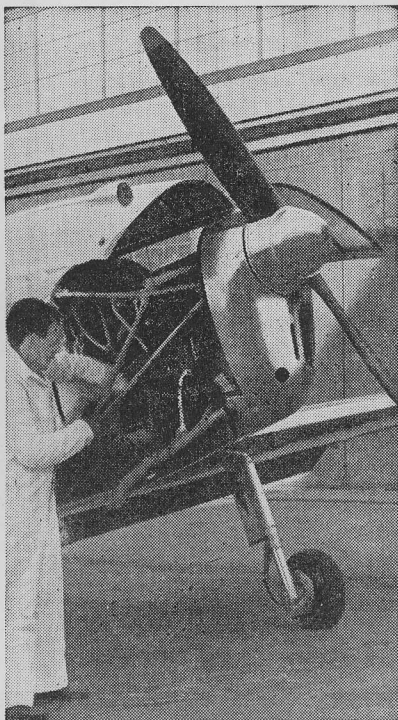

* *Service Department*

SPARE PARTS We hold a wide range of De Havilland Airframe and Engine Spares. Difficult-to-procure items can often be obtained from other branches of the De Havilland Enterprise overseas.

ENGINES Facilities for the complete overhaul and maintenance of all Gipsy Engines are available in our Bankstown Shops.

AIRFRAMES We are equipped to carry out all types of airframe repair, routine overhaul for C. of A., and complete rebuilds.

**AVIATION
CONSULTANTS** Experienced Design Staff and Drawing Office are available for special purpose adaptations, modifications and re-design work.
