

MANNED BY THE FUTURE CREW OF H.M.A.S. SYDNEY (Australia's new cruiser), the old fleet unit, H.M.A.S. Brisbane, left Port Melbourne yesterday, bound for Britain and break-up. A Bulldog fighting plane on the left is seen saluting the departing vessel. Right: A small boy who was lost in the farewell crowd, was taken care of by a policeman until his family claimed him.

A12-5 FLOWN BY P.G. HEFFERNAN, 7.5.35

A12-5 Bristol Bulldog flown by P G Heffernan flying over HMAS Brisbane going to Britain for break-up and replacement by HMAS Sydney 7 May 1935
