

Centenary air mail flight 2014.

Order form. (Please read carefully).

We do not have either the expertise or the money necessary to set up either an ebay shop store or, as we had previously, a Wordpress store. So we have to use this procedure:

1. Work out your order by reading the catalogue and either mail or email this order form to us. (guillauxcentenary@gmail.com or PO Box 301 Pyrmont NSW Australia 2009). We will check on the availability of stock and advise the total to be paid. Stock will be reserved for one week pending payment. **There are no postage costs, and orders over \$30 are sent registered mail.**
2. You can then pay by cheque or direct bank deposit as listed at the end of this order form.
3. On receipt of payment orders will be posted out: orders over \$30 will be sent registered mail. Where an email address is available an email will be sent advising the postage date.

Items marked with * have been carried on the re-enactment flight and bear the imprint of the specially-made rubber stamp, which has now been destroyed.
