

# BEECHCRAFT

## ENTERS THE LOW-COST LIGHT AIRCRAFT FIELD!

The new

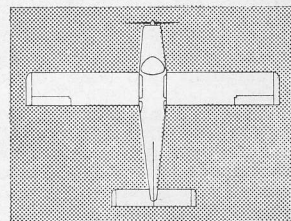

# MUSKETEER

*High performance economical four seater, uniquely ahead of other light aircraft.*

### What puts Musketeer so far ahead?

- Beechcraft's superior construction.
- Radio is standard equipment.
- Maximum range exceeds all other aircraft in its class with comparable payload.
- Superior ground handling with longer wheel base and wider track.
- Optional equipment includes simulated undercarriage retraction kit.
