

Daring Air Force Pilots Thrill City at Jubilee Celebrations

HURLING along at high speed only a few feet from the ground this Wapiti pilot manoeuvres his machine into the "picking-up" position. He has just secured the message.

Wapitis at Brisbane Jubilee celebrations 1935

In Brisbane an aerial pageant was organised by the Queensland Aero Club. Members of the Royal Australian Air Force flying three Wapiti biplanes, powered with Bristol Jupiter Motors, added spice to an afternoon crammed with entertainment by their aerial displays, which included picking up messages from the ground. Later they demonstrated dive bombing.
